

You Write the Hits.

Empowering songwriters,
defending creativity.

Now It's Time to Write

Your Future.

The music industry runs on **your words, your melodies** and **your creativity**- but are you getting the recognition and compensation you deserve?

Streaming, AI and outdated policy has left songwriters behind. **VFC is here to change that.** We fight for **fair pay, copyright protection** and a future where **your role is valued.**
