

ABOUT VFC

Who We Are:

Voices for Creators (VFC) is a nonprofit organization **advocating for fair compensation, legal protection and career support for songwriters, composers and producers.**

Why It Matters:

- The average songwriter earns only **\$0.003 per stream** from major streaming platforms.
- Many creators **sign unfair contracts** due to a lack of legal guidance.
- Music professionals often struggle with **financial instability** due to unpredictable income.
